RYVE
PROPERTY SERVICES

How we work

1

PROPERTY AUDIT

We complete a thorough audit of your property to identify its current condition, plus all of its essential services, infrastructure & specific maintenance requirements.

2

CARE PLAN

We then create a custom care plan for your property and divide its specific maintenance requirements into general repairs or annual maintenance items.

3

OUR ANNUAL MAINTENANCE SERVICES

- Air conditioning
- Hydronic heating
- Solar system checks
- Gutter cleaning
- Lift & Fire Services
- Pest inspections
- Pest treatments
- Strip drains & silt pits
- Sump Pump inspection
- Water tank systems

Annual maintenance items are generally completed over a 2 – 3 day period per year. With all works being coordinated & supervised by the Ryve Property Services Team!
